

AECI: Rockbreaker Learnerships Programme 2023 / 2024 New Hiring

Description

Join AECI Mining's Rockbreaker Learnership program and kickstart your career in the mining industry. This comprehensive initiative provides hands-on training and valuable experience in rockbreaking techniques and mining operations.

Responsibilities

- Participate in theoretical and practical training sessions to learn rockbreaking methodologies, safety protocols, and operational procedures.
- Gain practical experience in handling and operating rockbreaking equipment under the guidance of experienced professionals.
- Assist in maintenance tasks related to rockbreaking machinery, ensuring optimal functionality and safety standards.
- Adhere strictly to safety regulations and protocols during all operational activities.
- Collaborate effectively with team members and supervisors to ensure smooth mining operations.

Qualifications

- Minimum educational qualification: Matric/Grade 12 or equivalent.
- Interest in the mining industry and willingness to learn rockbreaking techniques.
- Strong attention to safety procedures and protocols.
- Ability to work well within a team and follow instructions effectively.
- Physical fitness and readiness to work in a challenging mining environment.

Job Benefits

- Comprehensive training in rockbreaking techniques and mining operations.
- Hands-on experience in operating rockbreaking equipment.
- Mentorship and guidance from seasoned professionals in the mining field.
- Opportunity for potential growth within the mining sector upon successful completion of the program.
