Development Bank of Southern Africa (DBSA): Graduate Programme 2024 Apply Online

Description

DBSA is excited to announce the launch of its Graduate Programme, designed to nurture talented individuals and provide them with a platform to kick-start their careers in the development finance sector. As a Graduate Programme participant, you will have the opportunity to gain hands-on experience, receive mentorship from industry experts, and contribute to impactful projects that shape the future of Southern Africa.

Responsibilities

- **Rotational Assignments:** Engage in diverse rotational assignments across various departments within DBSA, including but not limited to project finance, risk management, research and development, and sustainability initiatives.
- **Project Support:** Collaborate with cross-functional teams to support the execution of development projects, from conceptualization to implementation, by conducting research, analysis, and providing operational assistance.
- **Learning and Development:** Participate in structured training sessions, workshops, and seminars tailored to enhance your technical skills, industry knowledge, and professional competencies.
- **Mentorship:** Receive guidance and mentorship from seasoned professionals within DBSA, who will provide insights, feedback, and support to facilitate your career growth and personal development.
- **Networking:** Build relationships with peers, mentors, and industry stakeholders through networking events, conferences, and community engagement initiatives, fostering a strong professional network within the development finance sector.
- **Innovation and Problem-Solving:** Contribute fresh ideas, innovative solutions, and critical thinking to address complex challenges and drive sustainable development impact across the Southern African region.
- **Documentation and Reporting:** Assist in preparing reports, presentations, and documentation to communicate project progress, outcomes, and lessons learned, ensuring transparency and accountability in all initiatives.

Qualifications

- Recent graduate with a Bachelor's or Master's degree in Finance, Economics, Business Administration, Development Studies, Engineering, or related fields.
- Strong academic background with a minimum GPA of 3.0 or equivalent.
- Passion for development finance, sustainability, and making a positive impact on communities.
- Excellent analytical, problem-solving, and communication skills.
- Ability to work independently and collaboratively in a dynamic, multicultural environment.
