Maersk: YES Learnerships 2023 / 2024 New Hiring

Description

Join Maersk's Youth Employment Service (YES) Learnership program to jumpstart your career in the maritime industry. This initiative offers practical learning experiences and professional development opportunities within one of the world's leading shipping and logistics companies.

Responsibilities

- Engage in a structured learning curriculum tailored to provide insights into various facets of the maritime industry.
- Participate in on-the-job training, working alongside experienced professionals in diverse departments, such as logistics, operations, customer service, and administration.
- Contribute to real-time projects, gaining hands-on experience and practical skills necessary for a successful career in shipping and logistics.
- Attend workshops, seminars, and training sessions designed to enhance professional and personal development.
- Embrace learning opportunities to understand Maersk's operations, values, and industry standards.

Qualifications

- Minimum educational qualification: Matric/Grade 12 or equivalent.
- Passion for the shipping and logistics industry.
- Strong communication and interpersonal skills.
- Eagerness to learn and adapt in a dynamic work environment.
- Ability to work collaboratively in a team setting.
- Commitment to the duration of the learnership program.

Job Benefits

- Practical exposure and hands-on experience in the maritime industry.
- Mentorship from industry experts and professionals.
- Valuable insights into Maersk's operations and global reach.
- Opportunity for career growth and development within the organization.
- Potential for employment based on performance and available positions after completing the learnership.

Contacts

Interested candidates should submit their applications through the Maersk careers portal, attaching a comprehensive CV and any relevant supporting documents.

Embark on a transformative journey with Maersk's YES Learnerships program, paving the way for a successful career in the dynamic world of shipping and logistics. Apply now to be part of our innovative team!
