

Sappi Internships 2024 Apply now

Description

We are offering a dynamic internship opportunity for talented and ambitious individuals seeking practical experience in various fields within our organization. The Sappi Internship Program provides a hands-on learning experience and exposure to a multinational company's operations while contributing to meaningful projects and initiatives.

Responsibilities

- Collaborate with teams across different departments to support ongoing projects and initiatives.
- Assist in research, data analysis, and reporting to contribute to strategic decision-making processes.
- Engage in day-to-day operational activities to gain practical insights into the industry.
- Participate in team meetings, brainstorming sessions, and workshops to foster innovation and creative thinking.
- Contribute fresh perspectives and ideas to improve processes and drive efficiency within the organization.

Qualifications

- Current enrollment in a Bachelor's or Master's degree program in Business, Engineering, Environmental Science, Marketing, Finance, or related fields.
- Strong analytical skills with the ability to interpret data and provide valuable insights.
- Excellent communication and interpersonal skills to collaborate effectively in a team environment.
- Proactive attitude, eagerness to learn, and adaptability to fast-paced work environments.
- Passion for sustainability, innovation, and contributing to a global company's success.

Job Benefits

- Hands-on experience in a global company known for its commitment to sustainability and innovation.
- Mentorship and guidance from industry professionals to support professional development.
- Exposure to diverse projects and opportunities to make a meaningful impact.
- Networking opportunities within the organization and participation in learning events.

Contacts

Interested candidates should submit their resume, cover letter, and any additional required documents through the Sappi careers portal. Shortlisted candidates will be contacted for further interviews and assessments.
