Sasol Learnerships 2023 Apply Here

Description

Sasol offers exciting learnership opportunities for talented individuals who are eager to kick-start their careers in the energy and chemical industry. As a Sasol Learnership participant, you will have the opportunity to gain valuable hands-on experience, develop essential skills, and receive training from industry experts.

Responsibilities

- **Participate in On-the-Job Training:** You will be exposed to real-world tasks and projects within your chosen field, allowing you to apply your knowledge in a practical setting.
- **Academic Development:** Sasol is committed to your academic growth. You will receive structured learning programs and support to enhance your knowledge and skills.
- **Safety and Compliance:** Prioritize safety and compliance with company policies and industry regulations in all activities.
- **Team Collaboration:** Work closely with experienced professionals and colleagues to solve problems and contribute to the success of the company.
- **Continuous Learning:** Embrace a culture of continuous learning and self-improvement, actively seeking opportunities to enhance your expertise.

Qualifications

To be eligible for a Sasol Learnership, you should meet the following criteria:

- South African citizenship
- A completed Grade 12 (Matric) qualification with mathematics and science
- A genuine interest in the energy and chemical industry
- Strong communication and interpersonal skills
- A commitment to safety and responsible work practices
- Willingness to learn and adapt in a dynamic work environment
- Self-motivation and a proactive attitude

Job Benefits

Sasol is dedicated to providing a supportive and inclusive work environment. As a Sasol Learnership participant, you will enjoy the following benefits:

- A structured learning program with mentorship and guidance.
- A competitive stipend to support your financial needs during the learnership.
- Exposure to a global energy and chemical company with numerous career opportunities.
- Hands-on experience that will enhance your employability.
- A chance to contribute to sustainable and responsible energy solutions.

Contacts
