Servest: Security Learnerships Latest Opportunity 2023 / 2024

Description

Servest invites passionate individuals to join its Security Learnership program. This initiative aims to develop aspiring security professionals by providing comprehensive training and practical experience within the security industry.

Responsibilities

- Participate in theoretical and practical training sessions focused on security protocols, procedures, and industry-specific knowledge.
- Gain hands-on experience in various security operations, including access control, surveillance, patrolling, and emergency response.
- Collaborate with experienced security professionals to understand and implement security measures effectively.
- Adhere to security policies and procedures to maintain a safe and secure environment.
- Assist in monitoring and reporting security incidents or breaches.

Qualifications

- Minimum educational qualification: Matric/Grade 12 or equivalent.
- Passion for a career in the security industry.
- Strong observational skills and attention to detail.
- Excellent communication and interpersonal abilities.
- Willingness to learn and follow security protocols and guidelines.

Job Benefits

- Comprehensive training in security operations and protocols.
- Practical exposure to various aspects of security management.
- Mentorship from seasoned security professionals.
- Valuable experience within a reputable company in the security industry.
- Potential career advancement opportunities based on performance and successful completion of the program.

Contacts

Prospective candidates interested in the Security Learnership program at Servest should submit their applications online through the company's official website career portal. Ensure to include a detailed resume and any relevant supporting documents.
