Anglo American: Mining Learnerships 2023 / 2024 New Application

Description

Anglo American is offering exciting Mining Learnerships to individuals who are passionate about embarking on a career in the mining industry. This program is designed to provide comprehensive training and hands-on experience in various aspects of mining operations. If you are eager to learn, possess a strong work ethic, and are committed to safety and sustainability, this opportunity is perfect for you.

Responsibilities

- **Hands-on Training:** Engage in practical training within the mining environment, including underground and surface operations.
- **Safety:** Comply with all safety protocols and regulations, ensuring a safe working environment for yourself and your colleagues.
- **Equipment Operation:** Learn to operate and maintain mining equipment and machinery.
- **Environmental Stewardship:** Understand and practice responsible resource management and environmental protection.
- **Team Collaboration:** Work closely with experienced mining professionals and collaborate effectively within a team.
- **Continuous Learning:** Participate in classroom training and workshops to enhance your knowledge and skills.

Qualifications

- Minimum Grade 12 (Matric) or N2 Certificate with relevant subjects (Mathematics, Science, and English).
- A strong desire to pursue a career in mining.
- Excellent communication skills and the ability to work in a team.
- Basic computer literacy is an advantage.

Job Benefits

- Practical training and hands-on experience in the mining industry.
- Exposure to cutting-edge technology and sustainable mining practices.
- A competitive stipend to support your learning journey.
- Potential career opportunities with Anglo American upon successful completion of the learnership.

Contacts

If you are ready to kick-start your career in the mining industry and are excited about this opportunity, please submit your application, including your CV, academic qualifications, and a cover letter explaining your interest in the Mining Learnerships program at Anglo American. Applications can be submitted through our online portal on our website.
